General Information

Boarding:

1. Stonebridge Kennels has 46 clean, climate controlled, masonry kennels. Twenty (20) are indoor only, 4'x6' back-to-back kennels. Each 4'x6' enclosure is considered one (1) unit, with a closable, lockable dog door separating it from another. Both units can (if available) be rented to provide one (1) 4'x12' enclosure. Twenty-four (24) kennels are inside/outside with inside being 4'x6' and outside 4'x8'. Dogs are allowed outside weather permitting. Two (2) kennels are larger indoor/outdoor enclosures measuring approximately 6'x14'. All kennels are reserved on a first come first served basis, so early reservations are encouraged.

2. Drop-off can be made anytime during normal hours of operation. ***All dogs must arrive and leave on a leash!*** Pick-up must be made prior to 10am on day of departure to avoid additional boarding charges. Dogs picked up after 10am will be charged an additional day of boarding. Sunday hours are for drop off and pick-up only, and dogs may be picked up between 8am and 10am or 2pm and 4pm. No pickups or drop-offs will be made on Holidays.

3. Currently, 4'x6' indoor kennels are $40.00/night/dog, with a $3.00/night discount for multiple dogs in the same kennel; all indoor/outdoor 4'x6' kennels are $45.00/night/dog. with a $3.00/night discount for multiple dogs in the same kennel: and all 6'x6' kennels are $50.00/night/dog, with a $3.00/night discount for multiple dogs in same kennel. Prices are subject to change without notice.

4. Weekend and Holiday reservations require a night's stay deposit to hold a kennel. The deposit will be applied towards boarding charges, and will be non-refundable if the reservation is canceled less than 72 hours ahead of time.

5. Owners are ***strongly*** encouraged to provide their dog's own food. ***Dogs frequently get diarrhea when their food is changed!*** Please pre-package your dog's food in zip-lok bags and measure for individual meals. Small, labeled, Rubbermaid-type bins are also accepted. Stonebridge Kennels will provide, at a $2.00/meal charge, food if owner does not provide their pet's own food. Again, many dogs prefer their own food.

6. Bedding will be provided by Stonebridge Kennels, but if your pet begins to destroy the item, it will be removed from the pet. Stonebridge Kennels will provide bedding at no charge, even if it becomes soiled. If your pet becomes "dirty" (soiled with it's own feces), Stonebridge Kennels will bathe him/her (bathing prices vary).

7. All dogs are required to be up-to-date with immunizations including: Rabies, Bordetella, Distemper, and Parvovirus. We strongly encourage Leptospirosis, Parainfluenza, and Hepatitis vaccinations. A current fecal exam must also be on file prior to boarding. Please provide year-round heartworm protection and flea/tick control.

8. Please activate your Paw Partner account and complete fill out all forms prior to dropping off your dog(s). You also need to upload all vaccine information.

9. Pets arriving with fleas/ticks will be turned away, so please use a fleas/tick control medication regularly. Any dog found to have fleas/ticks while being boarded will be bathed plus and additional $30.00 will be charged for flea/tick control. Any dog we perceive to be ill upon arrival will not be allowed to stay. If your dog becomes ill while being boarded, we will contact you, or someone authorized, to pick-up your pet. If we cannot contact anyone, your pet will be transported to a veterinarian clinic. In the meantime, we will isolate your dog for the safety of the other animals.

10. All dogs must have a collar on when boarded or when in doggie day care. No metal or spiked collars allowed. Each collar should have a quick-release type connector.

11. Any female dog in heat will not be checked in for boarding. If your female goes into heat while boarded, she will be isolated, and you will be contacted to pick her up ASAP. An additional “isolation” charge of $12.00/day will be assessed. Under no circumstances will Stonebridge Kennels be responsible or liable if your female becomes pregnant while boarded.

12. Payment is expected at pick-up. Partial payment may be required prior to extended stays lasting longer than one week.
